Part of Records Package / Supplement / Correction

---

9-6-01 Dear Ms. Hanlon:

The way I see it is that people don't want it, they don't want nuclear waste transported into Nevada, they don't want to store it, they resent the idea that what the DOE wants is what they get. I cannot think of one thing that would bring more resentment and distrust of the U. S. Government than storing waste in Nevada when we do not want it.

Maxine Gorman, 2875 Idlewild Drive, No. 97, Reno 89509.
